Pastel & Acrylic Workshop

Date: Saturday, August 6, 2011

Time: 10:00-4:00

Place: Faith Baptist Church
4210 Limestone Rd. Wilmington

Fee: \$40 members
\$50 nonmembers

This workshop will demonstrate how to create a vibrant under painting in acrylic by building your own substrate. Add depth and texture to your next pastel painting and learn how to pop color and loosen up your technique. This process pushes the “abstract” envelope. Learn to lay out the composition, do an under painting, then learn to paint a landscape quickly and expressively using strong colors and values.
